

Hrvatska Orff Schulwerk udruga - HOSU
Croatian Orff Schulwerk Association - CROSA
founded in 2002 as HUCO

Professional organization of musicians, educators,
teachers, dance and music teachers, therapists,
speech therapists, educators, psychologists and
other specialists.

Supported by Carl Orff Foundation, Dießen am
Ammersee.

Member of the Orff Schulwerk Forum at the Orff
Institute, Mozarteum in Salzburg.

Promotes and fosters a complete musical,
pedagogical and artistic approach to the child,
Orff Schulwerk encourages creative musical
creativity.

Based on the philosophy of Carl Orff:
*Music is intended for all children, not just those
musically and intellectually gifted. Music is
acquired as the native language by listening and
imitating.*

SUMMER WORKSHOP

**SOUND
OF THE
GARDEN
2020**

**ETI
Vinkovec
Croatia**

ETI Vinkovec

The peaceful place in a rural environment where everyone feels good: learning, playing, creating ... or just resting.
www.eti-vinkovec.org

Vinkovec, a little village near Vrbovec, 45 min from the city of Zagreb, Croatia and 30 min from the airport. Close enough to come and far enough to escape. Large garden, cozy halls, superb instruments and educational equipment. Comfortable accommodation and domestic cuisine in direct connection with nature.

Sound of the Garden

Residential six days Orff Schulwerk and Music therapy seminar and workshop supported by the Carl Orff Foundation from Dießen am Ammersee.

The Sound of the Garden will take place for the sixth summer in a row, in the village Vinkovec, near Zagreb, Croatia, in the natural environment of the ETI school. Special seminar features are:

- restricted number of participants (10-15)
- Orff workshops led by expert music educators, trained Orff teachers
- experienced and qualified lecturers in the field of Music Therapy
- evening music-playing session regardless of previous musical experience with qualified musicians
- building musical instruments in natural surroundings
- Orff holistic approach in merging music and nature for educational and therapy purposes
- introducing elements of environmental therapy

Accommodation is provided in wooden houses and food is from our garden, prepared by friendly hosts.

Sound of the Garden 2020

Topics of the education cover the fields of:

- Orff-Schulwerk – the basic principles
- Music therapy – theory and practice
- Garden activities and building instruments
- Recorders ensemble playing
